Sir:

In accordance with 37 C.F.R. § 1.56, applicants respectfully invite the examiner's attention to references AA-AL listed on the attached form PTO 1449. Copies of references AA-AL are enclosed herewith. Included among these references are patent documents which were cited in an International Search Report, a copy of which is also enclosed. Applicants note that patent document EP0860446 belongs to the same patent family as CN1202906, which is cited in the International Search Report but is not in English.
